

JOB POSTING

VFR Pilot

We are looking for VFR Helicopter Pilots to join our team in our Flight Operations department. Custom Helicopters Ltd. Provides helicopter support to clients for various applications, while providing high-quality services with a commitment to safety, quality, and value.

Reporting to the Director of Operations, you will be responsible for the operation and safety of the aircraft you command, and for the safety of all people onboard during flight time. You will have excellent communication and problem-solving skills, with the ability to prioritize tasks and projects. You must be self-motivated, with strong analytical skills and attention to detail.

Preference given to those with the following aircraft experience: Bell 407, 412, 205, 206B, 206L, AS350, & AS332-L2

► Qualifications:

- Canadian Commercial Pilot License (H), with VFR experience.
- Current Class 1 Medical.
- Minimum 1000 hours on type is an asset.
- Previous experience working in remote geographical locations.
- Arctic and Drill experience considered an asset.

The successful candidate must live in Canada and provide a satisfactory Criminal Record Check, have a valid driver's license and passport.
